HOWARD COLLEGE

BIRMINGHAM, ALABAMA

MILESTONES

Our four years of college have been milestones on the road of life. Walking down this road, we have seen many signs—"Signs of the Times." At college, the signs have been many and varied. And as we graduate from Howard, these signs, or symbols, become especially important and meaningful.

As we recall our college experiences, many of us remember souvenirs and keepsakes which have become important to us because they symbolize momentous events in our lives. These souvenirs are especially important because they were "Signs of the Times" in our college lives. As we now face the really rough stretch on the road of life, our background at Howard will strengthen us, helping us to become better citizens of our nation and of our world.

HOWARD

In everyday life we often see and use objects which become symbols of more important things. In the 1954 *Entre Nous*, we have attempted to show life at Howard College by using these symbols, or "Signs of the Times", to imply the bigger events and happenings. Spiritual life at Howard — a very important factor on the campus — comes to mind when we see B. S. U. pins, the First Magnitude certificate, a B. S. U. pennant, or the Baptist Student Magazine. Each of these articles brings to mind spiritual gatherings and religious events at Howard that have made our lives brighter and more meaningful.

HOWARD

A cheerleader's megaphone, football programs, an intramural trophy—these are the souvenirs of those wonderful times we had while playing in and watching our school athletic events. We recall the Homecoming game, the "H-Day" intramural contests, some of the many exciting moments during basketball games with Southern, the fun we had in a tennis match with our roommate. All of these thoughts bring back a flood of fond memories.

Many of our thoughts are rueful rather than contented as we remember that part of college life concerned with the sometime trying task of acquiring knowledge. One by one come memories of writer's cramp on registration day, the tortures of exam week, and the relief which filled us with an almost exalted bliss when we had finished that last exam paper. But as we receive that long-anticipated diploma, we realize that every minute of our lives at Howard has been something to cherish and remember for a lifetime!

The Sheik of Araby?

We read an old Crimzon, we see a Bull Pup, and we remember the fun we had an dates to see the plays, to hear the concerts, and to enjoy the banquets. We recall how lustily we entered into the spirit of the ball games. Truly our social life was never neglected at Haward, and yet it always seemed to fit into its proper niche along with the religious events which lifted our spirits, the exercise which strengthened our bodies, and the study which developed our minds and sharpened our curiosity about the world and our age. Again we realize that Haward is THE alma mater!

DEAN PERCY P. BURNS

No student at Howard can ever forget Dean Percy P. Burns. His name has become synonymous with that of the spirit of Howard. Dean Burns has often almost single-handedly carried on many of the traditions of the school. He has served Howard in many capacities — as professor, head of the English department, registrar, dean of students, and now Dean of the College.

Dean Burns' service to the college and its students was recognized this spring when Hypatia conferred honorary membership on him for the many services he has rendered that organization. Many such groups on the campus can vouch for the fact that Dean Percy P. Burns has helped make and keep Howard what it is today.

We, the staff of the 1954 *Entre Nous*, want to dedicate our yearbook to Dean Burns in appreciation for his untiring services to Howard.

ADMINISTRATION

Serving to remind us of the part which the faculty played in our lives at Howard, we have old test papers and reports stored away in attics and basements. Some of these "Signs of the Times" are marked "A" and "B", a few are "D" and "F", and many are marked "C".

There are other, more pleasant, memories of our professors and the administrators at Howard. We remember the faculty skits at all-campus parties, the personal counseling they have given us, and their friendliness as we met them on the campus.

We realize anew that no faculty could surpass ours at Howard.

HOWARD

OUR PRESIDENT

MAJOR HARWELL G. DAVIS

In Major Harwell G. Davis, Howard College possesses one of the most valuable assets a college could have. Through the years, serving as Howard's president, Major Davis has so intergrated his life with that of the college that you cannot think of one without thinking of the other. His executive abilities and his genuine friendliness with the students have endeared him with all friends of Howard College.

Major Davis earned his LL.B. at the University of Alabama and was later honored with an LL.D. He practiced law at Thomasville and Gadsden and later served the people of Alabama as attorney General and U. S. Collector of Internal Revenue.

In July, 1939, he came to Howard and under his wonderful leadership has built up a college worthy of the completely new campus which he has strived for and which is fast becoming a reality.

TREASURER

MR. JOHN G. BURTON

When jobs are performed so efficiently that they seem effortless, we many times fail to give credit where credit is due. For six years Mr. John G. Burton has capably served as Treasurer of Howard College and his performance has been outstanding.

Mr. Burton has always been active, serving as mayor of Jasper and serving as a deacon of the Baptist Church for numerous years. His range of activities now includes Howard College and we are indeed glad he came our way.

REGISTRAR

MR. CARL E. TODD

For three years Mr. Carl E. Tadd has served as Registrar of the college and his knowledge of the job has won for him much praise. A graduate of Clemson, he attained his M.A. and M.Ed. at Peabody before coming to Howard.

He has not limited his talents to his office, however. He actively participates in school and church functions and has meant much to Howard during his stay here.

THE

DEAN OF THE COLLEGE

DEAN PERCY P. BURNS

One of the most respected, beloved, and efficient men on Howard's campus is Dean Percy P. Burns. Dean Burns has served Howard since 1911, and his services have been indispensable to the school.

The son of a Baptist minister, Dean Burns sought his education at Howard and later earned his M. A. at Howard. He studied further at the University of Chicago and holds an honorary Litt. D. from Mercer University.

In 1911, he came back to Howard as acting professor of English and the following year was made professor and head of the department. Since then he has served as registrar of the college, dean of the students, and since 1921, Dean of the College.

DEANS AT HOWARD . . .

DEAN OF MEN

DEAN WILLIAM PRATT DALE, III

A man of Dean William Pratt Dale's calibre is indeed hard to find. Rarely is one found who so captures the hearts of those who know him. Dean Dale is just such a man.

Dean Dale attended Mississippi Delta State and Duke University, earning his B.A., M.A., and Ph.D. degrees at the latter. In 1941, he came to Howard and his quiet courage and cheerful determination have won for him the respect and admiration of every student.

DEAN OF WOMEN

MRS. MARGARET D. SIZEMORE

As Dean of Women, Mrs. Sizemore has won a place in our hearts that time will not remove. Her activities go beyond her official title, however, and her office is constantly filled with students seeking her counsel.

Dean Sizemore received her B.A. and M.A. from Howard and holds the Degree Normale from the Sorbonne in Paris, France.

CLASSES

Looking at class pictures in the "Entre Nous", we can remember many of those who were in our classes. We see pictures of our roommates, a fraternity brother, the person who lived down the hall from us in the dormitory, the girl who was in the play we worked on, or the boy who played on the same intramural basketball team.

These pictures are "Signs of the Times", reminding us of many pleasant memories.

ATHLETICS

When we see a freshman beanie, we recall those football and basketball games we saw as eager freshmen, cheering for Howard. A letterman looks at his gold "H" awarded by the Senate and remembers his teammates on the various teams. He looks at old "Crimsons" and re-reads stories about the games.

These "Signs of the Times" are reminders of time well spent at Howard.

FOOTBALL

Playing perhaps their roughest schedule in recent years, the Bulldogs wound up with a 1-8 record. Although not outstanding percentage-wise the Bulldogs represented Howard in an admirable fashion each Saturday. Tough breaks and injuries beset the team and kept them in an underdog role for most of the games. Coaches Gartman, Sharman and Bowden can well be proud of the men who wore the Crimson and Blue on the football field for 1954.

THE '53 SEASON

THE HOMECOMING GAME

HOWARD — 7 SEWONEE — 13

A slightly favored Howard squad journeyed to Sewonee for the first game of the season for both clubs. Howard scored first following an intercepted pass by Chuck Anderson which he returned for 60 yards. Five plays later Howard punched it over and led 7-0. Sewonee roared back and knotted the count in three plays on a long pass play. Another pass and disaster—Sewonee 13, Howard 7.

HOWARD — 0 MISSISSIPPI DELTA STATE — 40

For the first time in many years, Howard took up football against Delta State, but the night was Delta State's all the way. Howard could never get its offense rolling and the weight advantage of State was more than the Howard eleven could cope with defensively.

HOWARD — 6 MISSISSIPPI COLLEGE — 25

Again the state of Mississippi was host to the Howard aggregation—this time for their first Dixie Conference contest. The Choctaws scored from the six in the early moments of the game, and the Bulldogs did not retaliate until too late. Lovvorn passed to McCrory for the only Howard score.

The 1953

HOWARD — 13 MILLSAPS — 16

In the most exciting and spirited game of the season, the Bulldogs lost to Millsaps in their second Dixie Conference tilt. The underdog Bulldogs led until the final minutes of the game when the Majors punched across a touchdown and scored a safety. Captains Upshaw and Anderson, Charley Hill, and James Chandler wer outstanding in the toughest loss of the season for the Bulldogs.

HOWARD — 7 FLORENCE STATE — 40

The Bulldogs could not come back after their near win over Millsaps and lost to a heavier and more experienced Florence eleven 40-7. The Bulldogs' only marker came with 30 seconds remaining in the half when Anderson passed to Karrh for seven yards and pay dirt. The rest of the night was all Florence.

HOWARD — 7 TROY STATE — 31

The jinx was still with the Bulldogs as they fought Troy a losing battle in Andalusia. They scored in every period racking up 31 points. Howard's marker came in the second period on a pass from Anderson to Karrh. Charles Hill and Tom Upshaw played outstanding games for Howard despite th mounting score.

HOWARD — 34 SOUTHWESTERN — 7

The Homecoming spirit was in the air as the Bulldogs captured their first victory of the season over the Southwestern Lynx. Playing before a pocked crowd at Berry Field, the Bulldogs were stapped only in the first quarter. Lavvorn, Ridley, Douglas, Halmes, and Taylor accounted for the Howard touchdowns and Upshaw baated four of five extra points. The Lynx could nat get into Howard territory in the first half and only managed to score in the finol minutes of the game.

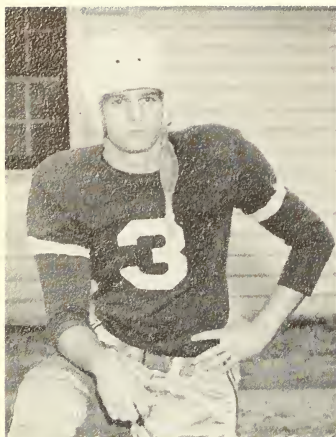

HOWARD — 14 CARSON-NEWMAN — 20

The taste of victory was soon forgotten as the Bulldogs traveled to Jefferson City for their rivalry with the Corsan-Newman Eagles. The Eagles scored on the opening kick-off and that was the margin of victory. The Bulldogs played an even terms with them the rest of the game. Hill scared on a 40-yard poss from Anderson, and Holmes ran it over far the second tally. A blacked kick in the fourth quarter added the finol two points to the total.

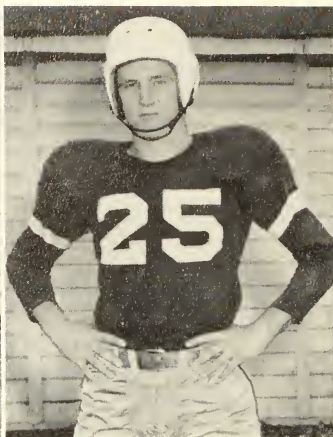

HOWARD — 13 JACKSONVILLE STATE — 26

Playing their finol game in Anniston the Bulldogs completely daminated the first half but ron out af steom and let the Jaxmen mark up four touchdowns in the second half. Injuries and penalties hurt the Bulldogs time and time again. Hawkins scored the first TD far the Bulldogs, making a beautiful 70-yard run. An Anderson to Hill pass accounted far the ather Bulldog marker. After that it was all Jocksanville.

Pacing the Bulldogs this Fall were three men who received their due rewards by being placed on the All-Dixie Conference first team. Charles Hill, end, who prepped at Huntsville High, Tom Upshaw, guard from Shades Cahaba, and Billy Joe Lovvorn, fullback from Hewitt High, were the Howard men so honored. James Chandler and Chuck Anderson were selected to the second string All-Dixie team.

Spirit at Howard's athletic contests this year was under the capable supervision of our cheerleaders. Graduation will take Stewart, but will leave an enthusiastic nucleus for the pep squad to begin with next Fall.

Under the able supervision of Coach James Sharman, the tennis team boasted Howard's best won-lost record. Although the Bulldogs are new to the tennis courts, this being their second year of intercollegiate competition, they rebounded from a winless season in 1953 and bounced back to post an impressive 8-4 record in 1954.

The baseball season furnished much excitement for Howard followers this year. Coach Gortmon's Bulldogs of the diamond had a 9-12 record to show for their labors, but several of their losses were by one and two run margins. With experience gained from this year's action, the young Bulldogs should be a leading contender for the Dixie Conference crown in 1955.

Track has been a struggling activity since its return to the campus in 1951. This year's track squad composed largely of freshmen and sophomores who will greatly benefit from the experience they received this spring. Injuries among the veterans kept the Bulldogs from notching a single victory although they never failed to give a commendable performance. Coach Bowden is to be congratulated for his work done with the men who wear the spikes.

Meets this year included dual meets with Emory, Mississippi Southern, Sewanee, and triangular meets with Mississippi College and Southwestern and with Southwestern and Union University.

ORGANIZATIONS

As we store that valued key chain, we remember how proud we were to receive each key. We recall the pleasant times we had at club meetings—planning projects and socials, discussing problems, and electing officers.

Our days at Howard were full of meetings, and we rushed from one to attend another, knowing that each club had its own important place on the campus. Seeing the keys and other similar "Signs of the Times" reminds us of each of these functions.

The Young Women's Auxiliary is a unit organization of the Baptist Student Union. Membership is open to all girls living in dormitories. Emphasis of the organization is on Christian missions, around which it builds both its programs and its projects, sponsoring regular giving to missions. A vespers program is held each evening following dinner, and twice a month, a group visits the Girls Industrial School for services.

MISSION BAND

Mission Band is an organization for students of all vocations who are interested in Christian missions. Twelve mission points are served each week in the Birmingham area. An average of about 100 students minister to the spiritual needs of over 350 people each week. A regular Thursday night meeting is held to train students in practical mission work and to inform them of the methods and developments in the Southern Baptist program of missions the world over.

The Ministerial Association is maintained to provide fellowship and inspiration for students preparing for the ministry, religious education work, and the ministry of music. It sponsors "Howard College Day" in the various associations of Alabama, when Howard students fill the pulpits of the churches in that area, bringing Howard to the Baptists of Alabama.

The members of this organization are not listed because there are more than 350 men in the association.

The publicity committee at work

One of the largest and most efficient organizations on the campus is the Baptist Student Union. This year, under the capable leadership of Joe Baskin and Louie Wilkinson, the Howard B.S.U. was awarded the First Magnitude certificate for the second year in a row.

The Executive Committee heads the activities of the B. S. U., being supported by the fifty-odd members of the Greater Council. All Baptist students on the campus who belong to any of the unit organizations — Sunday School, Training Union, Ministerial Association, Mission Bond, or Young Women's Auxiliary — are members of this group.

FEATURES

Beauty at Howard is a very important part of campus life. With our three queens, "Miss Entre Nous", "Miss Howard", and "Miss Homecoming", there were many times when we were electing a top beauty or personality for different phases of school life.

These coronations are "Signs of the Times", serving to remind us that beauty is an essential part of our lives.

ACTIVITIES

From the freshman party during the first week of school to the president's reception for graduating seniors, Howard students have many functions to claim their attention. In the fall semester there are the annual Homecoming activities, the Masquers' fall production, the Christmas parties of various clubs, and many banquets, parties, and festivities. In the spring, we enjoy H-Day, the all-campus party, and the B. S. U. and M. A. banquets.

Our "Signs of the Times" again remind us of the good times we had at the activities during our years at Howard. We have pictures taken at H-Day of the pie-eating contest, the coronation of "Miss Howard", and athletic contests. We have play programs, banquet tickets, and theater stubs. They serve to re-create those wonderful times we had while at Howard.

HOWARD

STUDENT SENATE

Student activities at Howard are telescoped through the Student Senate. The Senate, with a yearly budget of approximately \$16,000, promotes such school activities as Homecoming, H-Day, week-end social activities, the ENTRE NOUS, the CRIMSON, the drama and speech performances, intramural activities, all-campus parties and other such events. This year's senate sponsored a successful project to raise \$1,000 to help support a foreign missionary. And then at the end of the school term, a check for \$1,000 was given the fund for the student activities building on the new campus.

Members are selected by their fellow-students in campus elections held each Spring. Membership includes the general officers, the class senators, and the class presidents.

THE BULL PUP

The Bull Pup is a combination of two former publications, the Student Directory and the Bull Pup. The latter was first published for the benefit of the freshmen only, giving information about the administration, student body officers, and the customs of Howard.

The Student Directory was a list of every student of Howard — his home address, local address, telephone number, and classification.

In 1952, the student body voted to combine these two publications to produce the book now used.

With the help of Alpha Phi Omega service fraternity, which annually co-sponsors this publication with the Student Senate, Editor Robert Calvert and Business Manager Joe Perkins had the Bull Pup ready for the student body early in October.

THE DEBATE TEAM

One of the newest and most outstanding features to be added to the curriculum at Howard is its Debate Squad. This is the second year that a debate squad has represented Howard in recent years.

The man responsible for the success of the squad is Mr. G. Allan Yeomans. Under his outstanding coaching the squad won 19 decisions while losing only 9 in intercollegiate debating. In the Azalea Debate Tournament held at Spring Hill College in Mobile, Howard placed second, scoring 9 victories against but 3 defeats. Wins were registered over such schools as Notre Dame, Kansas State, the University of Mississippi, the University of Georgia, the University of Florida, Auburn, and Emory.

Members of the Debate Squad for this year include: Martha Ann Banks, Nell Henderson, Harold Benson, Tam King, Haywood Simms, and John Hayes.

For the first time in history, Masquers used two casts in presenting a play. For many of the roles in "Our Town", Director Henry C. Lindsey double-cast the parts with one cast playing on the first and third nights, the other on the second and fourth nights.

Many who came to see both casts perform said that the show had two entirely different interpretations on the different nights.

Some of the roles were not double-cast. The director and the actors in these parts had their fill of rehearsals — sometimes rehearsing the same scene twice a day with different people.

Strangest looking set I ever saw!

ADVERTISEMENTS

Even the time we spent shopping in downtown Birmingham and in East Lake is pleasant to recall along with our other memories of Howard life. Remember the time you thought your roommate would never make up her mind about which pair of shoes to buy? Remember going to the photographer to have your picture made and then not being able to decide which picture you wanted? Remember when the laundry was delivered and you didn't have enough money to pay for it?

Sales slips, cleaners' tickets, and now empty suit and dress boxes are the "Signs of the Times" which help us remember this phase of our college life.
